SAFEGUARDING (Children & Young Adults) INFORMATION: Safeguarding is everyone's responsibility, and all club members have a part to play. All members should contribute to the club meeting its overall duty of care, be aware of the club's safeguarding policy, and know what to do if they are concerned about a young person. Codes of Conduct regarding juniors/young people

Adults should always be aware that age related differences exist and conduct themselves in a manner that both recognises this and prioritises the welfare of children and young people.

Adults & Children playing golf together

One of the reasons for the popularity of golf is that the game is not restricted by ability, age or gender. Responsible interaction between adults and children helps bring mutual respect and understanding and will be encouraged as part of club activities.

Adults should always be aware however that age related differences do exist and conduct themselves in a manner that both recognises this and prioritises the welfare of any children involved.

Anti-Bullying Policy

The Club believe that every effort must be made to eradicate bullying in all its forms. The Club will not tolerate bullying in any of its forms at any other time while at the club.

Transport Policy

The club believes it is primarily the responsibility of parents/carers to transport their child/children to and from events.

The changing rooms are used by all members & visitors. Wherever possible adults will avoid changing or showering at the same time as children but parents will be made aware that with limited changing room space there will be occasions when adults and children may need to share the facilities. Where a parent/carer does not consent to their child accessing the changing rooms, it is their responsibility to either supervise the child while in the changing rooms or ensure that they do not use them.

Photography, Videoing and the use of Social Media Policies

- Think very carefully before contacting a young person via mobile phone, e-mail or social media.
- Do not accept children as contacts on social networking sites if you hold a position of trust with children/young people.
